

PRODUCT INFORMATION

Women's Bi-Color Softshell / 402008

The Stretch Softshell jacket, which has lots of features, is extremely comfortable. This jacket is made of high-quality material, so it is completely wind-proof and water-repellent. Even so, breathability remains optimal, making this jacket a perfect choice during heavy work. The work jacket also has 3 front pockets, a spiral zipper with contrasting trim, an inside pocket with a cable hole, adjustable cuffs, and a tab for hanging things.
